Our approach is rooted in Positive Behaviour Support (PBS).

We also use PROACt-SCIPr-UK.

This means our support is respectful and focused on the person.

# Liaise's Specialist Support

We have a trained PBS Practitioner with a nursing background who supports people with complex behaviour needs.

Our support staff are trained in PROACT-SCIPr-UK to provide safe and positive support.

# Liaise's Specialist Support

We work with people to design flexible supported living services, including opportunities to open new homes.

We support people to move from hospital or higher support into supported living in a planned and safe way.

We help young people move into adult support with care that is right for their age and needs.

# Our Specialist Support Team

The Gables is supported by a special team called the **Positive Behaviour Support (PBS) Team**.
