

Introducing Somerford Court

Somerford Court is a Supported Living home based in Tottenham, specialising in supporting people who have complex Learning Disabilities and Autism. The bungalow offers excellent wheelchair access.

We recognise that many people have more than one diagnosis and share overlapping health and support needs, so we provide varying levels of support based on the unique needs, goals and preferences of each individual.

Services we provide include:

- Bespoke activity programmes
- Support in personal goals
- Developing relationships
- Regular social events
- Independent living skills
- Person centred framework
- Outings & Trips

Our specialist offer:

- Positive Behaviour Support
- Occupational Therapy
- Speech and Language Therapy
- Proact-Scipr-UK trained staff
- Bespoke Support Plans

Bolanle Tofowomo Home Manager

"Being the Service Manager at Somerford Court, Tottenham. We believe our bespoke person centred care packages allows the people we support to live happy lives with no limitations due to their complex needs. We pledge that their needs are always the top priority. If they could describe Somerford Court in one word, it would be FUN!"

Facilities:

Somerford Place provides excellent facilities, all bedrooms are large and have fitted en-suite bathrooms. The service is built to encourage communal living, by providing large modern communal areas for social events.

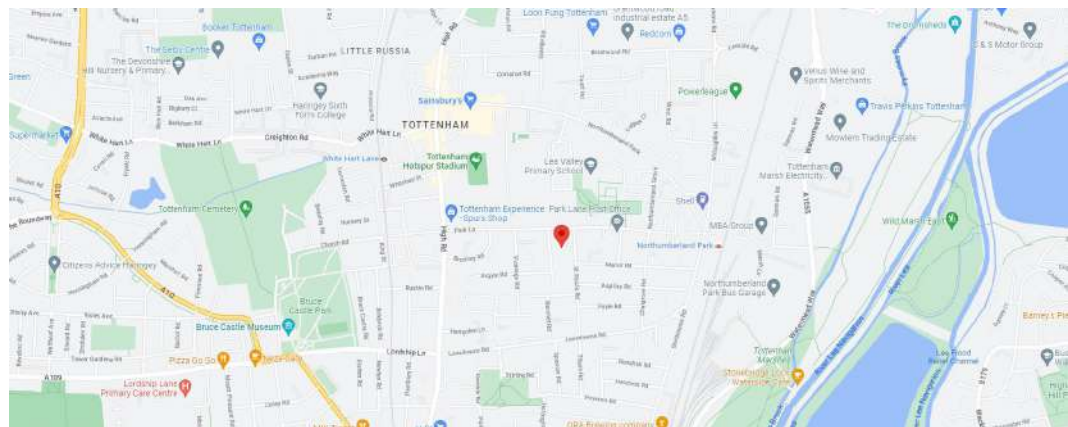

A unique aspect to this service, is its in-house sensory room, which service users are free to use.
