**Bridget Kefeletswe** Registered Manager

*"It's important for me to work in an environment where there is progression and positive outcome for people we support as well as staff and working along families to maintain the friendly family relationship and homely environment. People we support must feel safe, happy and positive, relaxed around their environment and trust the staff supporting them."*

## Facilities:

Willow Tree Lodge accommodates four people, the bedrooms are large with plenty of storage and space for alterations to meet any needs of the people we support. The home has modern communal areas and beautiful front and back garden.

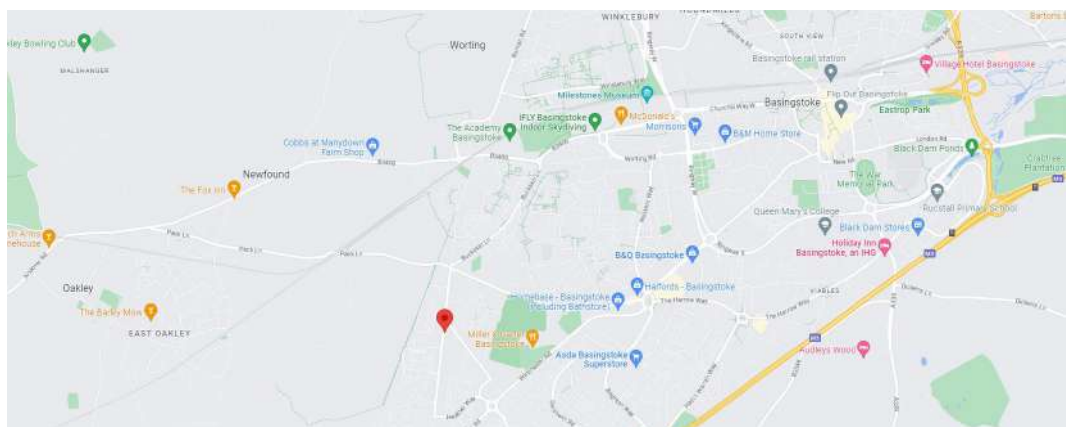

The home is just on the M3 motorways and is a short journey to Basingstoke Station, excellent for trips and visits.
