

Norfolk Lilas House

Short-Term Care & Respite

Considering short-term care options?

Lilas House now has two rooms available for those seeking a temporary respite, providing a premier option for individuals with specific needs.

Nestled in the heart of Cromer, Norfolk, Lilas House offers residential care services catering to a broad range of adults with learning disabilities, autism, and other conditions.

Lilas House currently offers two spacious, double rooms for short term care solutions. One room is situated on the first floor, and the other on the second. There are shower and bath facilities available on each of these floors.

Please note that mobility is essential, as the residence includes stairs. Please get in touch to discuss accessibility further, or to understand more about home life at Lilas.

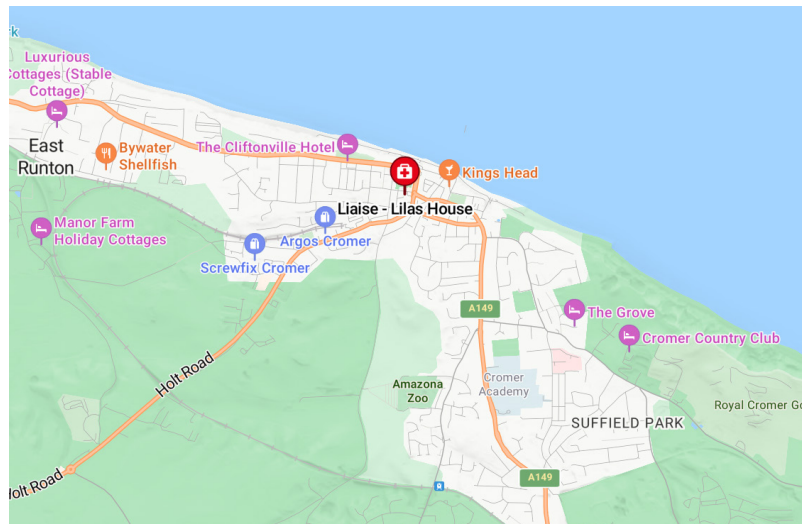

Why Lilas House?
