Liase's Specialist Support

We are Liase.

We provide specialist support for adults.

We help adult people with learning disabilities and autistic people.

This includes people with complex needs and behaviours of distress.

Liaise's Specialist Support

Our approach is rooted in Positive Behaviour Support (PBS).

We also use PROACT-SCIPr-UK.

This means our support is respectful and focused on the person.

We help people become more independent and improve their wellbeing.

Liase's Specialist Support

All staff receive special training in PBS and PROACT-SCIPr-UK

We work together as a team.

This helps us give high-quality, personalised support.

We focus on what is important to each person.

Liaise's Specialist Support

In our South region, we provide six key areas of specialist support.

We have trained staff who support people with complex behaviour needs.

Our support staff are trained in PROACT-SCIPr-UK to provide safe and positive support.

We help young people move into adult support.

Liase's Specialist Support

We work with schools and colleges to do this.

We help people move into residential services in a planned way.

We work closely with families and next of kin to support each person.

We use a person-led outcomes approach to understand what is important to each person and measure their progress.

Our Specialist Support Team

Cornfields is supported by a special team called the **Positive Behaviour Support (PBS) Team**.

PBS helps people understand their needs and find positive ways to feel safe, calm and happy.

The PBS team will help you make a plan that is right for you and your goals.

Our Specialist Support Team

This is Linzi.

Linzi is a Positive Behaviour Specialist who supports Applelea.

She will help you build your PBS plan and make sure the team supports you in the right way.
