Committed to Co-Production

We have an established Influencers Group, made up of people we support, who play a pivotal role in shaping our services. Their insight ensures that everything we do reflects the needs, preferences, and aspirations of those with lived experience.

By actively listening to and involving this group, we embed authentic perspectives into every aspect of our work. From reviewing policies and practices to shaping key working approaches and designing new living opportunities, their voices directly influence how we develop and improve our support.

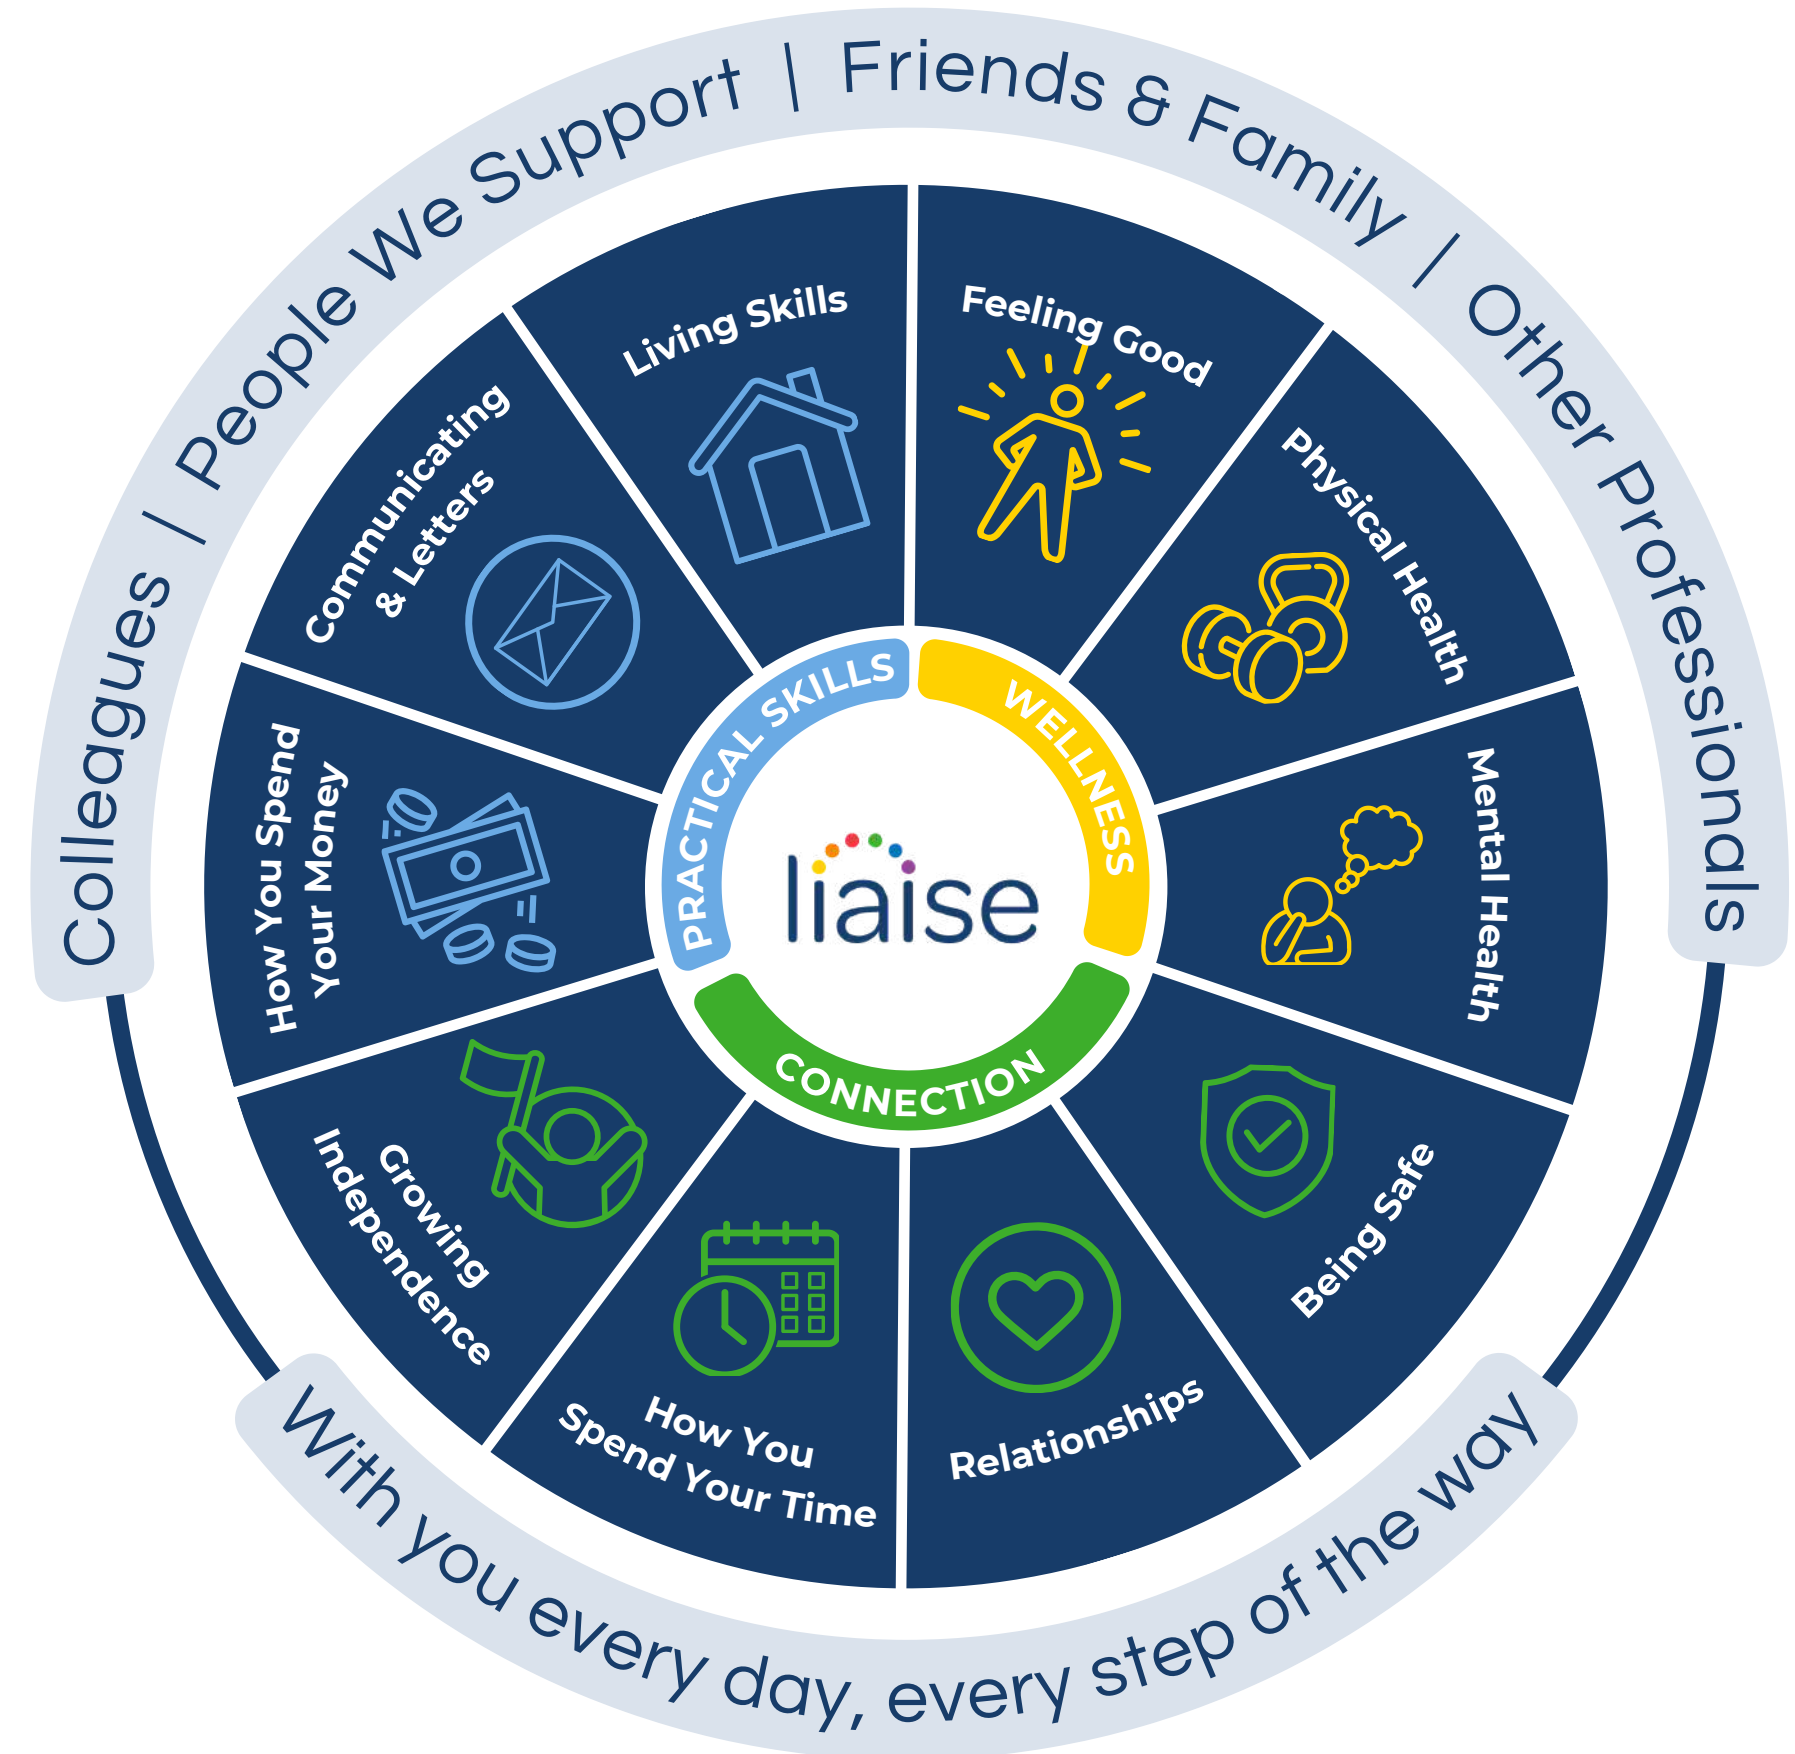

Every Day, We Help People Thrive

Our Outcomes Pathway Model ensures support is designed with and for each person, creating tailored strategies shaped around their hopes, goals, and aspirations.

This multidisciplinary approach enables us to deliver high-quality, personalised support so people can achieve what matters most to them.

Progress that Matters, Led by the People We Support

Natalie and Liam recently attended the Diversity Concert at the Brighton Centre, choosing to go because of their shared enjoyment of music and live performances. Natalie was fully engaged throughout the show, smiling, cheering, and responding enthusiastically to the singing and dancing, while Liam appeared calm and relaxed, taking in the atmosphere in his own way.

Experiences like this provide valuable opportunities for people to pursue their interests, connect with their local community, and enjoy meaningful social activities. By supporting Natalie and Liam to attend events they enjoy, the team is helping them lead fulfilling lives centred around their individual preferences and wellbeing.
