Experience you can trust, support you can rely on

We provide specialist and bespoke support for adults with learning disabilities, autistic people and individuals with complex needs and behaviours of concern. Our pathway of integrated services includes supported living and residential care across London, the South and East of England.

Welcome to Somerford Place

Somerford Place is our warm and friendly residential living space, nestled in the heart of Tottenham, North London.

Why choose Somerford Place?

- **Comfortable, Connected, and Tailored Living:** Our homes feature spacious rooms, shared social spaces, and calming environments designed around individual sensory, physical, and behavioural needs. Residents enjoy a strong support network, nearby parks, and a local Learning Disability Day Centre—plus excellent transport links via the London Underground and Overground.
- **Co-Produced, Person-Centred Support:** Shaped by people with lived experience through our Influencers Group, we build care plans around each person's strengths and goals - like supporting someone with a passion for art to lead classes, boosting confidence and inspiring others.

Expert, Caring Team: All our staff are trained in Positive Behaviour Support (PBS) and Proact-SCIPr-UK. Each person we support has a tailored PBS plan, with input from our in-house PBS Practitioners, Speech and Language Therapists, and Occupational Therapists, promoting safety, independence, and progress.

Meet the team

Suzanne, Regional General Manager for London and the South East Region

Suzanne offers over 28 years of social care experience, including leadership roles at Active Care Group. Dedicated to achieving exceptional outcomes for individuals, Suzanne leads by example, transforming care and fostering supportive environments for both those we support and her colleagues.

Helen, Operations Manager for the London Region

Since 2007, Helen has been committed to the social care sector, leading services to achieve positive outcomes. She focuses on building high-performing teams with a strong culture, believing these foundations are key to delivering exceptional care for those we support.

When I arrived, Shirlene and Florence were incredibly welcoming. I ended up spending a few hours there, and it was honestly a lovely experience. The atmosphere was great—they even had a little dancing exercise class going on. Watching the staff and the people we support engage was really touching.

Team Member

I want to compliment the team for a great work and that my loved one is very happy with the decoration and looking forward to her party. I'm extremely happy with the service your team has provided.

Co-production

We're proud to have an established Influencers Group, made up of supported individuals from our homes. This group plays a pivotal role in shaping our plans, ensuring they are genuinely aligned with the needs and aspirations of all those living in a Liaise home.

By listening to people with lived experience, we bring an enriched, authentic perspective to everything we do. From policy and practice reviews to designing new homes, their voices directly influence our approach to key working, goal setting, and designing services.

Our commitment to co-production means creating meaningful partnerships that empower individuals, drives inclusion, and deliver homes truly tailored to those we support. Together with our Influencers, we're making Liaise the best possible place to live - a place where everyone's voice shapes the future.

Improving Lives

Built on the principles of Positive Behaviour Support (PBS) and Proact-SCIPr-UK training, our approach prioritises respect for individual needs, promotes independence, and ensures safety and well-being.

We go beyond standard care by equipping all team members with specialist PBS training, guided by the expertise of PBS Practitioners, Speech and Language Therapists, and Occupational Therapists. This collaborative approach enables us to deliver high-quality, tailored support that drives meaningful outcomes for the people we support.

Our innovative Outcomes Pathway Model (right) helps us design bespoke care strategies based on each person's unique hopes, goals, and aspirations.

Outcomes Based Success

Rachael's Success Through Independence and Learning

Rachael, a person we support from Somerford Place and a proud member of the Liaise Influencers (our co-production network), is a creative and enthusiastic individual who loves to stay active. Her passion for art shines through her hobbies, and she also enjoys spending time working in her home's garden and assisting with various office tasks.

Spending quality time with her friends and family is important to Rachael. These moments are special to her, whether it's sharing a meal, chatting, or hanging out with her mum. One of Rachael's highlights this year has been attending college weekly to study retail, where she enjoys learning and connecting with her fellow students.
