

Upwell Lodge

Our supported living home in
March, Cambridgeshire

Experience you can trust, support you can rely on

Our Midlands supported living homes provide specialist, bespoke support for adults with learning disabilities, autistic people, and individuals with complex needs and behaviours of concern. Backed by over 20 years of expertise, we use Positive Behaviour Support (PBS) to deliver truly person-led care.

Why choose us?

Tailored Living - Our home offers spacious and calming environments designed around individual needs. Nearby amenities include scenic walks, a local disability day centre and March town centre.

Co-Produced, Person-Centred Support - Shaped by people with lived experience, we build care plans around each person's strengths and goals - like supporting someone with a passion for art to lead classes.

Expert, Caring Team - All our staff are trained in Positive Behaviour Support (PBS) and Proact-SCIPr-UK. Each person we support has a tailored PBS plan, with input from our in-house PBS Practitioners.

Our Apartments Offers:

- **Bedrooms:** All apartments have one bedroom
- **Private Bathrooms:** There is a private bathroom for each apartment. These can be altered to provide extra support.

Outcomes Based Success

Phillip recently sat down for an interview to share his experience living at St James, and he spoke with real confidence.

He described how having his own space has helped him feel more independent and settled. Opening up in the interview was a big step for Phillip, and it showed just how far he's come.
