Liaise's Specialist Support

We are Liaise.

We provide specialist support for adults.

We help adult people with learning disabilities and autistic people.

This includes people with complex needs and behaviours of distress.

Liaise's Specialist Support

Our approach is rooted in Positive Behaviour Support (PBS).

We also use PROACT-SCIPr-UK.

This means our support is respectful and focused on the person.

We help people become more independent and improve their wellbeing.

Liase's Specialist Support

All staff receive special training in PBS and PROACT-SCIPr-UK

We work together as a team.

This helps us give high-quality, personalised support.

We focus on what is important to each person.

Liaise's Specialist Support

In our South region, we provide six key areas of specialist support.

We have trained staff who support people with complex behaviour needs.

Our support staff are trained in PROACT-SCIPr-UK to provide safe and positive support.

We help young people move into adult support.

Liase's Specialist Support

We work with schools and colleges to do this.

We help people move into residential services in a planned way.

We work closely with families and next of kin to support each person.

We use a person-led outcomes approach to understand what is important to each person and measure their progress.

Our Specialist Support Team

Sansa House is supported by a special team called the **Positive Behaviour Support (PBS) Team**.

PBS helps people understand their needs and find positive ways to feel safe, calm and happy.

The PBS team will help you make a plan that is right for you and your goals.

Our Specialist Support Team

This is Jessica.

Jessica is a Positive Behaviour Specialist who supports Sansa House.

She will help you build your PBS plan and make sure the team supports you in the right way.

Makaton is a way of communicating with signs and symbols.

Thomas helps by asking Michael what he wants to do or what he wants to eat.

Liaise Influencers

He has also shown other staff how to use Makaton

This makes Michael happy, feeling heard and understood.

It has improved his communication and relationships

Our Outcomes Pathway Model

We use our Outcomes Pathway Model to plan support with each person.

This means support is designed around what each person wants and needs.

We focus on people's hopes, goals and aspirations.

Our Outcomes Pathway Model

Different professionals work together as a team.

This helps us give high-quality, personalised support.
